W5943	9	30	Birth Center Visit, First Trimester, Midwife	99211	47	470	25			Office or other outpatient visit for the evaluation and management of an established patient, that may not require the presence of a physician. Usually, the presenting problem(s) are minimal. Typically, 5 minutes are spent performing or supervising these services.	Per visit	\$20.00	This procedure code is only billable when birth center services were terminated before the end of the first trimester. In this situation, the birth center can bill for the midwife's visit(s) as set forth at 55 Pa.Code, §1127.52 (d).
W5944	9	30	Birth Center Visit, Second Trimester, Midwife	99212	47	470	25			Office or other outpatient visit for the evaluation and management of an established patient, which requires at least two of these three key components: <ul style="list-style-type: none"> • a problem focused history; • a problem focused examination; and • straightforward medical decision making. Counseling and/or coordination of care with other providers or agencies are provided consistent with the nature of the problem(s) and the patient's and/or family's needs. Usually the presenting problem(s) are of self-limited or minor. Physicians typically spend 10 minutes face-to-face with the patient and/or family.	Per visit	\$26.00	This procedure code is only billable when birth center services were terminated before the end of the second trimester. In this situation, the birth center can bill for the midwife's visit(s) as set forth at 55 Pa.Code, §1127.52 (d).
