Home and Community Services	Direct service and services to meet regulatory requirements and/or contract conditions provided in home and community settings to assist individuals in acquiring, retaining, and improving self-help, socialization, and adaptive skills. For the most part, these services differ only with respect to setting or regulatory or contract requirements. These services can only be provided when the administrative entity determines they are necessary to prevent institutionalization.					
Rate Base and Modifiers	Modifiers enable services to be individualized through varying staff-to-individual ratios and program content. Individuals and families have increased program options from which to choose and levels of service are available to adequately address individuals' health and welfare needs and/or to achieve the purpose of the provision of the service.					
Home and Community Habilitation	This is a direct service that may be made available to individuals in their own home or in other residential or community settings not subject to licensing regulations. Recreation is not an eligible service. Entrance fees to events and membership fees are not covered. Camp day or overnight can only be provided under respite. Waiver-funded home and community habilitation services may be provided by qualified Pennsylvania-based providers in contiguous states or by qualified out-of-state providers in contiguous states, with written approval by the ODP Regional Office.
