

Bureau of Autism Services VALUES

-  Those living with ASD need support throughout the life span.
-  Those living with ASD, across the spectrum, need support.
-  Every person living with ASD can have an improved quality of life given the right supports delivered by trained staff.
-  Families need support.
-  Consistent standards around diagnosis, assessment, and intervention are needed, along with increased capacity and expertise.
-  The essence of our work is to increase independence and self-sufficiency .
-  We need to explore innovative models.
