SUBJECT Prior Authorization of Bronchodilators, Beta Agonists – Pharmacy Services		BY  Vincent D. Gordon, Deputy Secretary Office of Medical Assistance Programs	

PURPOSE:

The purpose of this bulletin is to issue updated handbook pages that include instructions on how to request prior authorization of prescriptions for Bronchodilators, Beta Agonists that require prior authorization, including the type of medical information needed to evaluate requests for medical necessity.

SCOPE:

This bulletin applies to all licensed pharmacies and prescribers enrolled in the Medical Assistance (MA) Program and providing services in the fee-for-service (FFS) delivery system, including pharmacy services to residents of long term care facilities.

BACKGROUND:

The Department of Public Welfare’s (Department) Pharmacy and Therapeutics (P&T) Committee meets semi-annually to review published peer-reviewed clinical literature and make recommendations relating to new drugs in therapeutic classes already included in the Preferred Drug List (PDL), changes in the status of drugs on the PDL from preferred to non-preferred and non-preferred to preferred, new quantity limits, and new classes of drugs to be added to or deleted from the PDL. The P&T Committee also recommends new guidelines or modifications to existing guidelines to evaluate requests for prior authorization of prescriptions for medical necessity.

DISCUSSION:

During the November 9, 2011 P&T Committee meeting, the P&T Committee recommended guidelines to determine medical necessity of Arcapta and edits to existing guidelines. The recommended guidelines to determine medical necessity of Bronchodilators, Beta Agonists were subject to public review and comment, and subsequently approved for implementation by the Department. The requirements for prior authorization and clinical review guidelines to determine the medical necessity of Bronchodilators, Beta Agonists are included in the attached updated provider handbook pages.

PROCEDURE:

The procedures for prescribers to request prior authorization of Bronchodilators, Beta Agonists are located in SECTION I of the Prior Authorization of Pharmaceutical Services Handbook. The Department will take into account the elements specified in the clinical review guidelines (which are included in the provider handbook pages in the SECTION II chapter related to Bronchodilators, Beta Agonists) in reviewing the prior authorization request to determine medical necessity.

As set forth in 55 Pa. Code §1101.67(a), the procedures described in the handbook pages must be followed to ensure appropriate and timely processing of prior authorization requests for drugs that require prior authorization.
