

Hello Pam,

My name is [REDACTED] and I live in Palmyra, Pa.

I receive e-mails from drnpa.

I read your letter about shared living.

I'm disabled, I have Behcet's disease.

I live in a low housing apt bldg for the elderly and disabled.

I am fortunate to have a place to live, but it doesn't exactly fit the disabled.

I want to ask if you could tell me what is shared living and homes and such?

Thank you Pam,

[REDACTED]
