Note: Five of the July 1, 2014 rates previously posted on the "Long Term Care Nursing Facility Providers" website under "Budget Adjustment Factor, BAF Details" were replaced because they were computed using an incorrect number of allowable beds for certain nursing facilities. This error impacted the capital component of the per diem rate for the following nursing facilities and the total estimated payments identified at the bottom of the column labeled "July Rates at 100%" which was previously \$3,766,327,488. However, it did not impact the *Weighted average July rate at 100%* or the *Base BAF*.
