HERE FOR YOU
so you can be there for them.

SNAP, short for the Supplemental Nutrition Assistance Program, helps eligible individuals and families in Pennsylvania to increase purchasing power at the grocery store, giving them access to more nutritious foods.

Benefits are provided monthly through an Electronic Benefit Transfer card, which recipients use to purchase foods at their local grocery stores and farmers markets.

These benefits are not cash, and can only be used on food purchases.

NUTRITION FOR OLDER ADULTS

Live BETTER WITH SNAP
Do I qualify?
Eligibility is based on factors such as household income, housing costs, and medical expenses.

An older adult can bring in more than $2,000 a month and still qualify. For a senior couple, that increases to more than $2,700. Income requirements change each year.

Why get help?
Older adults who are food insecure have:

- Diets that are less nutritious
- Worse health outcomes
- Higher risk for depression

In contrast, seniors enrolled in SNAP are healthier, hospitalized less, and are less likely to go to a nursing home. Enroll today, then spend more time with the people who matter to you most.
