

## YEAR 17 TABLE DESCRIPTIONS

TABLE	PURPOSE OF TABLE FOR MEDIAN CALCULATION
<a href="#">TABLE 6</a>	Used to determine MSA by county code.
<a href="#">TABLE 7</a>	Used to determine inflation factors for each report period and the mid point of the rate year.
<a href="#">TABLE 23</a>	Used to determine financial yield rate.
<a href="#">TABLE 44</a>	Used to determine all non-terminated facilities as of 4/1/2011. Used to determine the Provider ID (Internal provider ID) and county code for these facilities. Used to determine county facilities.
<a href="#">TABLE 45</a>	<b>Not used for 2011.</b>
<a href="#">TABLE 45 512</a>	<b>Replaced by Table_62</b> due to structure change.
<a href="#">TABLE 46</a>	<b>Not used for 2011.</b>
<a href="#">TABLE 46 512</a>	Used to determine default RUG III 5.12 44 Group CMI values.
<a href="#">TABLE 48</a>	Used to determine certified and allowable bed information as of 04/01/2011.
<a href="#">TABLE 49</a>	Used to determine actual and available resident days for facilities not in the median calculation and their exempt status. Used to determine real estate tax amount for facilities not in the median calculation.
<a href="#">TABLE 51</a>	Static list of Audit_ID and report end date for each audit number to be used in the median calculation. Denotes those audit reports that have one or more minor movable equipment audit adjustment reversals. (None for 2011 – 2012)
<a href="#">TABLE 52</a>	Used to determine audited ending beds for report period. Used to determine audited resident and available days for report period.
<a href="#">TABLE 59</a>	Used to determine audited NF costs for report periods ending 12/31/1996 and after that have not had any minor movable equipment audit adjustment reversals (see table_51). Used to determine audited NF real estate tax costs for report periods ending 12/31/1996 and after. Denotes reported costs.
<a href="#">TABLE 61</a>	Used to identify the Budget Adjustment Factor for the final NF Rate. Also identifies the portion of the allocated median that comes from the median that is calculated without county providers.
<a href="#">TABLE 62</a> <b>New for 2011</b>	Used to determine the Total Facility CMI and validity status of the RUG III 5.12 44 Group normalized CMI for picture dates used in the median calculation. Used to determine the MA CMI for the 02/01/2011 picture date. If the MA Count is zero, the statewide average of 0.96 is used in rates. <b>Replaces Table_45_512</b> due to the following structure changes: <ul style="list-style-type: none"> <li>▪ <b>Deleted</b> Field 2, ACTPROVCM</li> <li>▪ <b>Deleted</b> Field 3, ACTMACMI</li> <li>▪ <b>Deleted</b> Field 6, POSTMARK</li> <li>▪ <b>Deleted</b> Field 7, REPORTMA</li> <li>▪ <b>Deleted</b> Field 8, REPORTNON</li> <li>▪ <b>Deleted</b> Field 11, CMILETTER</li> <li>▪ <b>Replaced</b> Field 12, ACCEPTED with Field 8, VALID – Logical</li> </ul>
