Subject: Fiscal Communiqué #07-12 - Restoration of Allocations

Importance: High

This e-mail was sent from an unmonitored account. Please do not reply to this message.

This message is from Marci Walters.

Title: Restoration of Former TANF, TANF, Food Stamps & General Assistance Allocations

Priority: High

Category: Informational

Action Required: Read and disseminate to appropriate staff.

Response Required: None

Purpose:

The purpose of this Communiqué is to inform you that the allocation amounts for **all** CCIS agencies are currently being restored in CCMIS.

Discussion:

With the passage of the 2007-08 State Budget, a new Child Care Appropriation was created for the

Former TANF, TANF, Food Stamps (FS) and General Assistance (GA) subsidized child care funds. The new Child Care Appropriation has different funding codes associated with it than those established in CCMIS prior to the start of the fiscal year.

As you know, the allocations for all CCIS agencies were reduced to establish the new cost functions. This week the CCIS allocations are being restored. This shift of service and admin/family support service allocations to the new cost functions will be complete by the end of the week.

Thank you for your patience during this transition period.

Next Steps:

- 1) Review and make copies of this Communiqué for appropriate staff members.
- 2) Contact your Subsidy Coordinator with any questions.
