

PROVIDER LETTER – NOTIFICATION OF RATE CHANGE

IMPORTANT – PLEASE READ

Dear Parent/Provider:

The Department of Public Welfare (DPW) is committed to helping families pay for child care expenses through the subsidized child care program. In an effort to continue to provide help for as many children as possible, DPW has adjusted the payment rates for child care provided in relative/neighbor and in-home child care settings. The new rates continue to be based on type of care, age of the child and county in which the provider lives.

The revised rates are effective July 1, 2021. Please refer to the attached rate page for specific information about your payment rate.

Thank you for continuing to serve our children.

Sincerely,

(CCIS of _____ County)
