

Dear Child Care Provider:

We are writing to request your participation in the 2010 Market Rate Survey. This year, for the convenience of providers who participate in the subsidized child care program, we are again combining the Market Rate Survey with the annual Subsidized Provider Rate Survey (Provider Agreement Appendix C-1). **The Market Rate Survey is very important and we need all providers to complete it.** Please mail, fax or hand-deliver the survey to the CCIS agency listed below. Submit only one survey for every provider location even if you receive more than one survey from multiple CCIS agencies.

Purpose of the Survey:

The purpose of the Market Rate Survey is to collect information on charges (i.e. rates and tuition charges) as of July 1, 2010. For those providers participating in the state's subsidized child care program, please note that the information you provide for the Market Rate Survey will be used to calculate your payment rates for 2010-2011. Providers who do not participate in the subsidized child care program should note that this information may also be used to plan for future rate increases.

Getting More Information about Completing the Survey:

Please answer all of the questions on this two-page survey. Assistance is available to you as listed below:

- Call 717-783-9977 or send an e-mail to ra-ocdelmrs@state.pa.us to get individualized help from the Office of Child Development and Early Learning (OCDEL) on how to complete the survey; or
- Use the information in the Definitions and Examples document that is included in this packet.

Providers Participating in the Subsidized Child Care Program:

Please note that in addition to completing the Market Rate Survey for every provider location, you must complete the Provider Agreement Appendix B, Provider's Closed Days, and provide a copy of your discount and/or scholarship policy along with your July 2010 published private rates.

Due Date:

All Market Rate Survey information must be returned to the CCIS by Friday, April 9, 2010. You may mail, fax or hand-deliver the Market Rate Survey and the subsidy Provider's Closed Days to the address in the box below. You must include a copy of your discount and/or scholarship policy along with your July 2010 rates with the survey. If you do not submit a copy of your July 2010 published rates, your information will not be included in the Market Rate Survey nor will your new rates for 2010-11 be considered for data entry into PELICAN Child Care Works.
