The subsidized child care program “blended rate” averages rates for 30 part days and 25 full days to create a standard school year rate. This creates one rate for the school year that incorporates days when a child attends child care full day.

The information currently on file shows that you  DO  **DO NOT accept a blended** school year rate for subsidized school-age children.

Check here if you want to **change** your blended rate option effective July 1, 2009:
