

## Nursing Facility Processing of FY 2013/2014 Rate Adjustments

For the purpose of making the Fiscal Year 2013/2014 rate adjustments, Nursing Facilities (NF) providers will be divided into two groups. An exceptional payment plan will be put into place for Group 2. **We are processing the FY 2013/2014 Quarter 3 rate file the week of January 20, 2014.** January through March claims will pay at the appropriate rate therefore claim adjustments are not needed.

### Group 1

- A. All NF's that have net positive payments for Quarter 1 and 2
- B. NF's that owe less than 25% of their average monthly Medical Assistance (MA) payment

### Group 2

NF's that owe 25 % or more of their average monthly MA payment will have the amount owed to the Commonwealth recovered over a three-month period; it will be equally divided over the three months. Please note that Month 3 reflects the final payment owed.
