The **full-time standard payment rate** is paid for five or more hours of child care between 6:00 AM and 6:00 PM Monday through Friday.

The **part-time standard payment rate** is paid for up to four hours and 59 minutes (not five hours) of child care between 6:00 AM and 6:00 PM (Monday through Friday).

A **nontraditional rate** is paid when a child needs five or more hours of full-time care or three to less than five hours of part-time care between the hours of 6:00 PM and 6:00 AM, Monday through Friday and/or anytime on Saturday and/or Sunday.

The blended rate is paid for child care for children attending school during the school year. It combines days during the school year when the child requires part-time care with days during the school year when the child requires full-time care.

The chart shows non-traditional and blended rates; however, the provider may not apply these rates.

*The CCIS will divide the reported rate by five to determine the CPR.*

*The CCIS will then compare the CPR to the MCCA.*

*The Standard Payment Rate will be either the CPR or MCCA, whichever is less.*
