

Title	Social Services Block Grant
-------	-----------------------------

Description This block grant provides funding to help individuals achieve or maintain self-sufficiency, to prevent, reduce or eliminate dependency, to prevent or remedy abuse and neglect of children and adults; and to prevent or reduce Institutional care. Most services are delivered by local entities that receive grants or contract with the Department of Human Services. These Federal allocations serve to augment State appropriations thereby increasing the total level of services provided.

In addition to funds received directly through the Social Services Block Grant, the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 authorized transfers from the Temporary Assistance to Needy Families Block Grant.
