**Monthly Report
May 2022**

May 2022 Summary Report

Month Overview

In May 2022, DHS issued letters to counties who were identified through the April ERAP1 reallocation plan as needing to return ERAP1 funds. DHS met with several counties, at their request, to discuss the ERAP1 amount DHS requested they return. DHS and the counties discussed the spending levels for ERAP1 and the timeline that DHS used to project ERAP1 funding expenditures. DHS outlined the process used to determine recoupment amounts along with the ERAP2 availability for all impacted counties emphasizing the importance of the September 30th federal deadline for spending ERAP1 funds. DHS also reminded counties that the further from the March 2020 PHE declaration DHS moves, the less likely counties are able to find households who meet the qualifications set forth by ERAP1 legislation. Counties began remitting ERAP1 funds to DHS for reallocation to the eight counties identified to receive additional ERAP1 funds as part of the April reallocation plan: Allegheny, Dauphin, Delaware, Lackawanna, Lycoming, Monroe, Montgomery, and Philadelphia.

Guidehouse continues to provide direct consultation to DHS as well as the county ERAP administrators. Counties engaged with Guidehouse for technical assistance which supports best practices, training, and program administration to ensure funding is distributed to eligible Pennsylvania citizens.

Guidehouse is also working with DHS on a monitoring plan which will outline an approach for DHS regarding the monitoring of county programs as part of an overall program accuracy review.

Households assisted

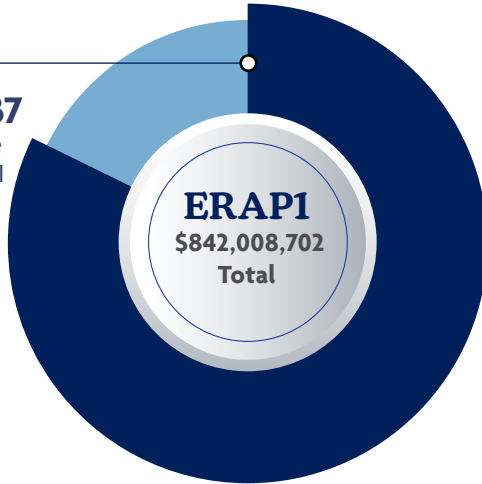

Counties have spent a total of \$545,662,558 in DHS-allocated ERAP funds to provide 139,663 households with rental assistance and/or housing stability services who have been impacted due to or during the COVID-19 pandemic (ERAP1 and ERAP2 combined).

NOTE: Applications are being processed at a rate greater than the rate of applications received. Larger counties, which receive the highest number of applications, are working to fiscally balance the program through multiple funding streams. These counties maintain ERAP1 and ERAP2 funds from both PA DHS and direct federal allocations.

Counties

The following counties with the highest percentage of funds expended YTD are Erie (88.1%), Monroe (79.6%), Allegheny (77.7%), Clarion (72.3%), Delaware (71.7%)

The following counties with the lowest percentage of funds expended YTD are Cumberland (9.2%), Forest (13.4%), Chester (15.3%), Sullivan (16.0%), Cambria (18.8%)

Technical Assistance Overview

DHS offered technical assistance and training to counties in May 2022. This assistance included the reallocation process, the use of the Administrative Plan Template, Guidehouse training on Post-ERAP transition, mental health awareness, Northampton counties best practices on supporting sustainable housing solutions, historical data reporting, and ERAP 1 reallocation updates.

Stakeholder Outreach

Acting Secretary Meg Snead discussed ERAP during her keynote speech highlighting need for accessible, affordable housing at the Self Determination Housing Project annual conference on May 5th. Special Assistant to the Secretary, Stephanie Meyer, shared information and updates on ERAP with the following stakeholder groups in May: the Governor's Office of Intergovernmental Affairs, which includes the Affinity Commissions, Regional Directors, Constituent Services, Constituent Affairs, and departmental liaisons; and the Parenting Pathways Learning Network with college students and institutions of higher learning across the state.

External Communications

The DHS ERAP website saw 52,413 page views with an average time on page of 2:57. The DHS ERAP website is updated to inform applicants if the county is no longer accepting applications due to overwhelming demand and lack of remaining funds. The DHS ERAP website continues to be a valuable tool for Pennsylvanians who have questions regarding ERAP.

Reporting Update

DHS is dedicated to reporting the best possible data for ERAP. As new data is reported to DHS, this report will evolve to ensure new data is incorporated to create the best overall picture of where the program stands. Additionally, corrections to data previously reported from the counties have been made to reflect a more accurate view of actual spending.

Background

The Department of Human Services (DHS) is pleased to submit this report, as required by Act 2021-1, Article I-D of the Fiscal Code, 72 P.S. §103-D (a)(7.1) and (8):

Powers and duties.--The department shall have the power and duty to: prepare a monthly consolidated report with information from all counties submitted under section 104-D(4) and shall submit the report on a monthly basis to the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives. The report shall also be posted and maintained on the department's publicly accessible Internet website.

The report shall include the following information:

- (i) The total amount of funds received by a county.
- (ii) The total amount of funds spent by a county for services under section 102-D(a).
- (iii) The total amount of excess funding or shortfall identified by a county as of September 20, 2022.
- (iv) The total number of households that applied for assistance.
- (v) The total number of households that received assistance.
- (vi) The total amount of funding sought by services under section 102-D(a).
- (vii) The total amount of assistance provided by services under section 102-D(a).
- (viii) An itemization of all expenditures for administrative costs.

Act 1 of 2021 authorized DHS to implement the Emergency Rental Assistance Program (ERAP1). The federal Consolidated Appropriations Act of 2021, (Pub. L. 116-260) allocated \$569,807,659.70 directly to Pennsylvania to assist those affected by COVID-19 by providing funding for certain past, current and future rental and utility expenses. Of that allocation, the Pennsylvania General Assembly appropriated \$5,698,076.60 to be used by DHS for administrative costs. Funding was allocated to all counties based on percentage of population minus any direct federal allocation per Section 102-D(c) of the Act. (See Table 2 for allocations and expended/remaining funds as of September 30, 2021). A maximum of 9.09 percent of each county's allocated ERAP1 funds may be used for the combined costs of administration and housing stability services. Eighteen counties and one city received a separate allocation directly from the United States Treasury in addition to the funding allocated to them in accordance with Act 1 of 2021.

DHS officially launched ERAP1 on March 15, 2021, though not all counties were operational on that date. All counties, however, were operational and accepting applications as of March 29, 2021. (See Table 1 for application data).

PA Act 24 of 2021 amended some ERAP1 program rules, and further gives DHS authority to administer funds allocated under the federal American Rescue Plan Act of 2021 (Pub.L.117.2) Section 3201 (b) which allocated \$500,166,870.00 to Pennsylvania. These funds are referred to as ERAP2.

The total allocation amounts used in Table 4 total ERAP2 Funds column are inclusive of the high-needs funds. Initial ERAP2 allocations were released in September 2021 with subsequent disbursements made in January and February 2022. Table 3 reflects the total number of applications under ERAP2.

Definitions

DHS uses the following definitions in this report:

- Rental Assistance - includes assistance for rent arrears, current rent, future rent, and utilities included as a part of the rent payment per the rental agreement
- Utility Assistance - includes payment for utilities, utility arrearages and future utility payments not included as a part of the rent
- Other Expenses Related to Housing – includes, but is not limited to, assistance with relocation expenses, rental fees, reasonable late fees, internet for work or home schooling (at county option).
- Housing Stability Services - services provided to coordinate the activities necessary for the client to obtain or retain housing including, but not limited to, case management and other services intended to keep households stably housed

NOTE: This report reflects emergency rental assistance as implemented with funds allocated per Act 1 of 2021 and Act 24 of 2021 and does not include expenditures of funds received by local municipalities directly from the United States Treasury.

All figures below reflect self-reported data by the county as of May 31, 2022 and may reflect the county made corrections for previous months.
