TO: CHC Managed Care Organizations (MCOs)

FROM: Bureau of Policy Development and Communications Management

DATE: May 4, 2022

PURPOSE

The CHC Agreement, in Exhibit F (Standards I, II, and III) and Exhibit W (2), requires CHC-MCOs to administer the HCBS CAHPS Survey and provide the results to the Department of Human Services (DHS). This Operations Memorandum provides guidance to CHC-MCOs pertaining to administering the HCBS CAHPS Survey. CHC-MCOs must comply with the HCBS CAHPS Survey requirements indicated in the CHC Agreement.

PROCEDURES

CHC-MCOs are required to annually administer the HCBS CAHPS Survey using the current version of the instruments with program-specific terms provided by DHS and report survey results to DHS as required under the CHC Agreement. [The Centers for Medicare & Medicaid Services \(CMS\)](#) has published comprehensive information and resources on how to administer and analyze the data from the survey.

CHC-MCOs are required to contract with a vendor to independently administer the HCBS CAHPS Survey. The CHC-MCOs are required to provide DHS with their selected survey vendor's point(s) of contact information, a signed copy of the current survey administration year contract with the selected vendor, and a copy of the survey vendor's current survey Quality Assurance Plan. The CHC-MCO's vendor must conduct the HCBS CAHPS Survey using the current version of the survey instrument. Each CHC-MCO's vendor will administer the survey using the mode determined by DHS, which can be in person or via telephone. CHC-MCOs must contract with a vendor to administer the survey according to CMS survey protocol that is designed to produce standardized results. CHC-MCOs must ensure that the selected survey vendor has a process in place to report suspected participant abuse, neglect and/or exploitation to both the CHC-MCO and to DHS. The survey is based on a randomly selected sample of participants from each of the CHC-MCO's total HCBS population and summarizes satisfaction with the experience of care through ratings and composites. CHC-MCOs

are required to ensure that the selected survey vendor adheres to all report requirements and reporting timeframes as directed by DHS. Survey results must be reported to DHS electronically in an Excel file or in the format determined by DHS. The survey results must be reported separately for each Zone in which the CHC-MCO operates. Validated survey results must be submitted to DHS and DHS' External Quality Review Organization (EQRO) annually each calendar year unless otherwise specified by DHS.

DHS also requires that the CHC-MCOs:

- Provide Limited English Proficiency and Text Telephone services in support of the HCBS CAHPS Survey if requested by the survey participant.
- Include all supplemental state specific questions as directed by DHS to the HCBS CAHPS Survey.
- Include all HCBS CAHPS Supplemental Employment Module questions in the survey.
- Submit validated HCBS CAHPS Survey results annually on November 15 unless otherwise specified by DHS.
