

**Error Status Code 519 Systems Notice**  
**Date Issued: August 23, 2023**

**Purpose:** After review of CMS' Medicare Learning Network MLN documentation, [SE1117 AdmitDate FromDate Changes.pdf](#) OMHSAS has updated the disposition for PROMISe edit 519.

**Overview:** Effective Immediately regardless of date of service Error Status Code 519 will be updated in PROMISe to a disposition of pay/list versus deny - allowing for the reporting of outpatient services before admission in inpatient crossover (Claim Type A).

In addition to the system change being made by DHS, OMHSAS would like to direct a change in which the day prior to admission (outpatient services) is reported on claims and encounters. Revenue Code 900 (GENERAL CLASSIFICATION PSYCH TREATMENT) should be utilized by providers & MCO's for services rendered in the day prior to the recipient's admission. The appropriate/corresponding revenue code should be reported for any days following admittance to an inpatient institutional facility.
