Medical Assistance

- I understand that Pennsylvania receives information from the Income Eligibility Verification System (IEVS), financial institutions, consumer reporting, and state and federal agencies to verify the information I give them. Information available through IEVS and other entities will be requested, used and may be verified through collateral contact when conflicting details are found by the state agency, and such information may affect my household’s eligibility and level of benefits.

- I understand that by signing this application, I am authorizing any financial institution to disclose, through electronic or any other means, any and all financial information held by that institution, to the Department of Human Services or its designated agent or contractor for the purpose of identifying and verifying resources (also called “assets”) when needed to determine and re-determine eligibility for Medical Assistance. I understand that financial information includes deposits, withdrawals, account closures and other relevant information requested or received from the financial institution, including other transactions undertaken by the financial institution with respect to the account or asset. I understand that this authorization is effective until Medical Assistance eligibility is denied or ends, or if I decide to revoke it by written notification to the Department, whichever happens first. I understand that if I revoke this authorization, that may make me or my household ineligible for Medical Assistance.

- I understand that if I misrepresent, hide or withhold facts that may affect my eligibility for benefits, I may be required to repay my benefits and I may be prosecuted and disqualified from receiving certain future benefits.
