

PACTT AFFILIATE PUBLIC REPORT

Agencies affiliated with the Pennsylvania Academic, Career and Technical Training (PACTT) Alliance have voluntarily agreed to meet standards in one or more of the following areas: Academics; work related services; and job skills training. Through their efforts, the affiliated agencies work to support goals outlined in the Advancing Competency Development: A White Paper for Pennsylvania and Pennsylvania’s Juvenile Act. These include, but are not limited to:

- Helping youth improve their chances of having a successful educational experience.
- Developing a set of study and learning skills and basic reading, writing, and math skills.
- Helping youth to catch up in school and advance in school to the highest possible level of academic achievement.
- Developing workforce skills for getting a job, keeping a job, and achieving promotion.
- Developing workforce programs that promote economic self-sufficiency, are grounded in principles of youth development, and connected to further education and long-term career opportunities.
- Helping older youth improve their chances of being economically self-sufficient after high school.
- Developing competencies that will enable youth to become responsible and productive members of the community.

Note: During the reporting period the number of individuals that would have been included in the report was less than the minimum number being utilized for the purpose of ensuring confidentiality and anonymity. Therefore, outcome data is not included. However, information related to the affiliate’s program and its offerings is included below.

Program Description:

Located in Morgantown, Pennsylvania just minutes from the Pennsylvania Turnpike exit 298, Abraxas Academy is one of the few Joint Commission accredited and Sanctuary Model certified secure programs in the state of Pennsylvania. The Abraxas Academy uses The Sanctuary Model® for Trauma Informed Care as the framework for treatment. The Sanctuary Model is a blueprint for clinical and organizational change which, at its core, promotes safety and recovery from adversity through the active creation of a trauma-informed community. Sanctuary emphasizes: the importance of healing from psychological and socially traumatic experiences; community principles; restoring connections with others; and mutual accountability through the S.E.L.F. Model and the Seven Commitments. The Seven Commitments include Non-Violence, Emotional Intelligence, Social Learning, Democracy, Open Communication, Social Responsibility, & Growth and Change.

Abraxas Academy, located in Morgantown, Pennsylvania is a multi-service facility which offers Secure Residential Treatment and Secure Detention Services.

Our secure residential treatment program provides specialized care for delinquent male youth between the ages of 14

to 18 in 9th grade or above. Treatment at the Academy is for youth who demonstrate a consistent display of delinquent patterns through multiple placements, serious charges, and problematic behaviors. Youth are admitted to the Academy for either habitual offending behaviors or for a history of sexual offending behavior.

Abraxas Academy opened in October of 2006 and is located in Morgantown, Pennsylvania. Abraxas Academy is classified as a secure residential treatment facility. It provides care and treatment to delinquent male adolescents who

demonstrate a variety of issues including behavioral health and sexual offending. All residents are court ordered for care and treatment. Facility services are provided seven (7) days a week, twenty-four (24) hours a day.

Additional Program Information

The Abraxas Academy has two residential programs: the Habitual Offenders Program and the Sexual Offenders Program.

The Habitual Offenders Treatment Program for males uses a comprehensive approach in providing treatment services to the residents. This is achieved through trauma informed cognitive behavioral therapy with a strong emphasis on functional behavior assessment and behavioral treatment. The program milieu and curriculum utilize the principles of BARJ, Applied Behavioral Analysis and a cognitive distortions component. On-Track: Overcoming Life's Hurdles a habitual offender specific group curriculum provides a treatment emphasis is placed on identifying and correcting potentially harmful patterns of thought, improving social skills, teaching problem solving skills and developing an awareness of the community and victim, while altering target pro-social and maladaptive behaviors.

The Sexual Offenders Program is designed to provide specialized treatment services to sexual offenders. This specific program is an evidenced based approach to sex offender treatment utilizing the Risks-Needs-Responsivity (RNR) model of offender rehabilitation addressing the "big" three rehabilitation principles of risk, need, and responsivity. Residents are taught to be accountable for their actions and recognize the consequences of inappropriate behavior. The program places a strong emphasis on assisting residents to improve social skills and maintain awareness of their own sexual past
