

PACTT Affiliate Public Report

Agencies affiliated with the Pennsylvania Academic, Career and Technical Training (PACTT) Alliance have voluntarily agreed to meet standards in one or more of the following areas: Academics; work related services; and job skills training. Through their efforts, the affiliated agencies work to support goals outlined in the Advancing Competency Development: A White Paper for Pennsylvania and Pennsylvania’s Juvenile Act. These include, but are not limited to:

- Helping youth improve their chances of having a successful educational experience.
- Developing a set of study and learning skills and basic reading, writing, and math skills.
- Helping youth to catch up in school and advance in school to the highest possible level of academic achievement.
- Developing workforce skills for getting a job, keeping a job, and achieving promotion.
- Developing workforce programs that promote economic self-sufficiency, are grounded in principles of youth development, and connected to further education and long-term career opportunities.
- Helping older youth improve their chances of being economically self-sufficient after high school.
- Developing competencies that will enable youth to become responsible and productive members of the community.

Limitations of this report should be noted. Data included in the report includes only those youth that were determined by the affiliate to have successfully completed the program and were recommended for discharge. In addition, academic data does not include youth having received services for less than 90 days. As a result, the average length of stay for youth in the affiliation areas may differ. Data included in the report was based on self-reported information provided by the affiliated agency. Reports were generated, using the PACTT database, by the affiliate and reviewed by the affiliate for accuracy prior to being posted for public viewing.
