

PACTT Affiliate Public Report

Agencies affiliated with the Pennsylvania Academic, Career and Technical Training (PACTT) Alliance have voluntarily agreed to meet standards in one or more of the following areas: Academics; work related services; and job skills training. Through their efforts, the affiliated agencies work to support goals outlined in the Advancing Competency Development: A White Paper for Pennsylvania and Pennsylvania’s Juvenile Act. These include, but are not limited to:

- Helping youth improve their chances of having a successful educational experience.
- Developing a set of study and learning skills and basic reading, writing, and math skills.
- Helping youth to catch up in school and advance in school to the highest possible level of academic achievement.
- Developing workforce skills for getting a job, keeping a job, and achieving promotion.
- Developing workforce programs that promote economic self-sufficiency, are grounded in principles of youth development, and connected to further education and long-term career opportunities.
- Helping older youth improve their chances of being economically self-sufficient after high school.
- Developing competencies that will enable youth to become responsible and productive members of the community.

Limitations of this report should be noted. Data included in the report includes only those youth that were determined by the affiliate to have successfully completed the program and were recommended for discharge. In addition, academic data does not include youth having received services for less than 90 days. As a result, the average length of stay for youth in the affiliation areas may differ. Data included in the report was based on self-reported information provided by the affiliated agency. Reports were generated, using the PACTT database, by the affiliate and reviewed by the affiliate for accuracy prior to being posted for public viewing.

Program Description:

The Community Intensive Supervision Program (CISP) is operated by the Court of Common Pleas of Allegheny County, Family Division, Juvenile Section. CISP was designed for first-time and repeat male offenders between the ages 10-18 and operates in four community centers: Central 1 (Garfield CISP & Hill CISP merged), Central 2 (Penn Hills CISP & Wilkinsburg CISP merged), Mon-Yough, and North Side. All youth placed with CISP are supervised, monitored and held accountable 24 hours a day. The youth are required to report to their assigned center after school and on weekends. CISP staff provides transportation. Each youth must complete 100 hours of community service before they are positively discharged from the program.

Youth are assigned to the program site that services the community in which they live. The centers are open seven days a week from 10:00 a.m. until midnight. Youth remain in their communities and are introduced to positive community resources.

CISP provides a full range of programming for these youth including a major emphasis on drug and alcohol education/assessment and treatment. Other programming includes academic tutoring, recreation, cultural activities, community service and employment initiatives. The objective for each youth in the program is to develop acceptable norms of behavior. Every aspect of CISP is designed to change negative behaviors through electronic monitoring, parent support groups and various other competency building and treatment groups.

Overview of General PACTT Requirements for all Affiliates:

- Utilize PACTT’s *Employability and Soft Skills Manual (ESSM)* with all youth, age 14 and older.
- Document ESSM training progress and at the discharge, includes this information as part of the youth’s educational record and probation discharge packet.
- Develop a discharge portfolio for youth that indicates their progress toward completion of competencies.
- Offer opportunities for remediation in numeracy and literacy, credit recovery and/or acceleration.
- For youth having a disability, facilitate their involvement with the Office of Vocational Rehabilitation.
- Assist youth in accessing career/technical training, post-secondary education and job placement opportunities.
- Offer at least one (1) of the following basic certificates: OSHA-10, ServSafe, MOS; International Computer Driving License (ICDL).

Soft Skills Instruction

Percentage of youth that participated in soft skills instruction

100%
