Program Description:

Located on the border of Baldwin Borough in Allegheny County, Pennsylvania, New Outlook Academy, formerly Sleepy Hollow Academy, was established in 1997 to provide comprehensive, positive rehabilitative treatment for female offenders. It's a private, residential school for court-adjudicated females ages 14-19 in grades 7-12. Our program is multi-faceted, interweaving academics, trades training, counseling and extra-curricular activities. It provides the transforming environment and unwavering support young juvenile offenders need to redirect their lives.

The MISSION of The Academy Schools is to place students in a positive, productive environment, one which fosters success and nurtures the self accomplishment which naturally follows.

The Academy Schools, though increasing in numbers, have never forgotten their core mission of combining rigorous educational curricula with extensive counseling services, trade skills training and athletics. We seek to capture our students in their finest moments, emphasizing their successes and never letting them revert to anything less than their best.
