

TRAINING OPPORTUNITY

Understanding the Military Experience

Providing care to service members, veterans and their families

Service members, veterans and their families make sacrifices for all of us. **STAR BEHAVIORAL HEALTH PROVIDERS** offers training to help you better understand their experiences and an online registry that will help them find you.

SBHP training is provided in three tiers that must be taken sequentially:

Tier One: One day, covers military culture and the impact of deployments on families. (6.5 APA CEs)

Tier Two: Two days, covers issues associated with military service, including military family resilience, traumatic brain injury, substance abuse, sleep disorders, suicide, PTSD, and 3 hours of ethics. (13.5 APA CEs)

Tier Three: Two days, teaches providers evidence-based psychotherapies for treating particular conditions (14 APA CEs)

Space is limited—register today!

Trainings & CEUs are FREE.
