

All parking at the Complex is by assignment only with the exception of the spaces individually marked as a visitor spaces.

All handicap parking is for visitor's only (unless otherwise specified) no parking pass is required to park in these spaces. If an employee needs special needs parking accommodations they are to speak with their parking officer.

All other visitor parking spaces (as indicated on this map) need to be approved by either DGS Annex Security or Willow Oak Security. Upon approval a visitor parking pass will be issued and must be displayed while parking at the Complex.

Gold, Red and Gray parking permit holders must park in their assigned parking space.

Blue parking permit holders may park anywhere in the blue designated parking areas, except for the Willow Oak visitor parking, parking reserved for Hemlock Hall and handicap, special needs and maintenance parking spaces.

Green parking permit holders assigned to the C lot may park anywhere within that lot. All other green parking permit holders must park in their assigned parking space.
