Children who are home schooled, attend a cyber charter school, or are enrolled in a school that does not participate in the NSLP, including virtual academies that districts had in place prior to the pandemic, will not be eligible for P-EBT. Benefits will be issued based on the number of excused days out due to COVID reported for each quarter multiplied by the rate of \$7.10 per day.

### P-EBT Summer Benefits

NSLP eligible students and students in CEP schools who were enrolled (including those who missed zero days for the entire year) until the end of the 2021-2022 school year (May 2022) receive an additional **\$391** for the summer of 2022. **Issued October 2022.**

\*The maximum amount that could be issued to a fully virtual student (60 days out per quarter) who received the summer benefit is \$1,669 for P-EBT 4.0.

### Childcare P-EBT Benefit Amount Breakdown

Childcare P-EBT (2020-2021)		
Stage 1 (Oct 2020 + Nov 2020 only)	Stage 2 (Dec 2020-Feb 2021)	Stage 3 (March 21-May 21)
<b>Issued June 2021</b>	<b>Issued July 2021</b>	<b>Issued August 2021</b>

Benefits issued were based on the county in which the child received SNAP benefits. The issuance was based on whether a majority of school age students in that county were receiving Virtual, Blended or In-Person instruction for that month.

**NOTE:** If the child turned 6 during any of this time (October 2020 through May 2021), the child was no longer eligible. The child will receive a pro-rated benefit up through the month in which they turned 6, but nothing beyond that.

**For example:** If the child turned 6 in April, they would receive a pro-rated Stage 3 benefit for March and April but would not get anything for May or the Summer P-EBT.

### Childcare P-EBT Summer Benefits

**NOTE:** It doesn't matter which months the child was eligible for SNAP. They will receive the amount shown in the chart for the total number of months.

**2021-2022 Childcare Benefits Wave 1 issuances were issued 9/29/2022 and 09/30/2022.** Unlike 2020-2021 Childcare P-EBT issuances, there will be only 2 stages of Childcare P-EBT issuances for the 2021-2022 school year, and every child will receive the same benefit amount for the number of months they were eligible for SNAP, rather than taking the average for a region as we did for 2020-2021. Benefits were issued to the SNAP payment

name's EBT card. There was no retroactive eligibility this time; the child will only get the amount shown in the chart for the number of months they were eligible for SNAP.

Stage 2 issuances are scheduled to go out on **10/13/2022 and 10/14/2022**. The Summer P-EBT Childcare Benefit will go out on **10/27/2022 and 10/28/2022**.
