### **Eligibility Verification System Issue**

There is an issue with the Eligibility Verification System (EVS). Access Plus had not been active since 8/21/2013; however, EVS reflects this information for Behavioral Coverage for two of our Primary Contractors.

Therefore, please ignore the Access Plus message. Effective 7/1/2019, recipients that have a county of residence in Cumberland, Dauphin, Lancaster, Lebanon, and Perry counties, have Behavioral Health coverage through CBHNP (PerformCare). Recipients that have a county of residence in Bedford and Somerset counties have Behavioral Health coverage through CCBH effective 7/1/2019. We have placed a message on EVS and have contacted the affected Managed Care Organizations (MCOs).

Thank you,  
OMHSAS Division of Systems Management
