Subject: Revisions for Participating Drug Company list for Medicaid Drug Rebate Program

For a drug product to be compensable through the Medical Assistance (MA) Program, the company (labeler) that markets the product must participate in the Federal Medicaid Drug Rebate Program.

The revisions to the list below, unless otherwise indicated, are effective April 1, 2018. Terminations and additions apply only to those National Drug Codes (NDCs) beginning with the five-digit labeler code indicated, and not to other NDCs that may be marketed by that company under a different labeler code.
