   **FOR RENEWALS OF PRIOR AUTHORIZATION FOR SEDATIVE HYPNOTICS:** The determination of medical necessity of a request for renewal of a prior authorization for a Sedative Hypnotic that was previously approved will take into account whether the beneficiary:

If the guidelines are not met, the prior authorization request will be referred to a physician reviewer for a medical necessity determination. Such a request for prior authorization will be approved when, in the professional judgment of the physician reviewer, the services are medically necessary to meet the medical needs of the beneficiary.

D. **Automated Prior Authorization**

Prior authorization of a prescription for a preferred Sedative Hypnotic benzodiazepine for a child under 21 years of age will be automatically approved when the Point-of-Sale On-Line Claims Adjudication System verifies a record of paid claim(s) within 180 days prior to the date of service that documents that the guidelines to determine medical necessity listed in Section B. have been met.
