

Falls Prevention

This hybrid training will examine intrinsic and extrinsic fall risk factors and the Centers for Disease Control Stand STEADI program, which stands for Stopping Elderly Accidents, Deaths, and Injuries. Falls investigations and assessment and support planning will be discussed. This hybrid training consists of a 3-hour online self-paced prerequisite and a 3-hour live virtual training, for a total of 6-hours. **6-credit hours will be issued after completion of both requirements.**

This free training is provided by Temple University Harrisburg and funded by the Pennsylvania Department of Human Services Bureau of Human Services Licensing.

*Please register for ONE of the eight sessions. Numerous registrations will not be permitted.		

Technology Requirements:

Audio and video ARE required and must be turned on for the live, 3-hour training on the Zoom platform. Audio and video are required for the self-paced online prerequisite. If you do not have audio on your computer, the Zoom platform can be accessed on your smartphone or tablet. You must have the hardware (desktop or laptop, tablet or smartphone) and software (Browsers such as Chrome, Safari, Firefox or Microsoft Edge) to access the internet. A broadband internet connection (DSL, cable, fiber, etc.) is recommended with a hardwired Ethernet cable. Wireless (Wi-Fi) connections may be utilized but a weak or congested signal may cause issues with video buffering or content access.
