

Coronavirus Aid, Relief, and Economic Security Act (CARES Act) Funding for Office of Long-Term Living (OLTL) Licensed Personal Care Home (PCH) Providers

Governor Wolf recently signed Act 24 of 2020, which allocates funding from the federal Coronavirus Aid, Relief, and Economic Security Act – also known as the CARES Act. Funding from Act 24 must be used to cover necessary COVID-19 related costs incurred between March 1, 2020 and November 30, 2020. Act 24 includes \$457,000,000 of COVID-19 relief funds for providers of Long-Term Living Programs. To qualify for the one-time payment, a person or entity must be in operation as of March 31, 2020. This funding includes the following payment to providers of PCH services:

PCH Serving SSI Residents COVID-19 Payment - The total funding available for this one-time COVID-19 payment to PCHs pursuant to Act 24 is \$5,000,000. Each PCH SSI COVID-19 Payment is calculated by dividing the number of individuals for whom the PCH received a state Supplemental Security Income payment from the Department of Human Services in March 2020 divided by the total of all PCHs' individuals for whom the Department of Human Services made a state SSI payment in March 2020 to obtain a PCH specific quotient. Each PCH's quotient is multiplied by \$5,000,000 to determine its payment amount. The payments listed in the table below are final and will not be adjusted.

PCHs must supply their federal employer identification number (FEIN) for payment to be made. PCHs must complete the facility acceptance form and email it to the OLTL at covidpayments@pa.gov by July 31, 2020. Providers may also fax the form to the OLTL Bureau of Finance at 717-787-2145. Checks will be issued and mailed after the form is received.

Act 24 of 2020 requires these funds to be expended by November 30, 2020 or returned to the commonwealth. Additionally, these funds must be used for COVID-19 related expenses incurred between March 1, 2020 and November 30, 2020. Providers must keep documentation to prove that these funds were used for their response to the COVID-19 pandemic in case of an audit. Any person or entity accepting a COVID-19 payment agrees to provide documentation to the Department of Human Services, upon request, for purposes of determining compliance with Act 24 requirements. Instructions on expenditure reporting will be provided in the future.

Providers are advised to review guidance and frequently asked questions about eligible expenses on the U.S. Department of Treasury website:
