

## Coronavirus Aid, Relief, and Economic Security Act (CARES Act) Funding for Office of Long-Term Living (OLTL) Home and Community Based Service (HCBS) Providers

Governor Wolf recently signed Act 24 of 2020, which allocates funding from the federal Coronavirus Aid, Relief, and Economic Security Act – also known as the CARES Act. Funding from Act 24 must be used to cover necessary COVID-19 related costs incurred between March 1, 2020 and November 30, 2020. Act 24 includes \$457,000,000 of COVID-19 relief funds for providers of Long-Term Living Programs. To qualify for the one-time payment, a person or entity must be in operation as of March 31, 2020. This funding includes the following payment to providers of HCBS services:

**COVID-19 Home Health Care and Home Care Agency Personal Assistance Provider Payment** - The total funds available for a one-time COVID-19 payment to home health care and home care agency personal assistance services (PAS) providers pursuant to Act 24 is \$112,000,000. The COVID-19 payment for each home health care and home care agency PAS provider is calculated by dividing the number of Medical Assistance (MA) PAS 15-minute units, excluding overtime, invoiced by the provider in the third quarter of calendar year 2019 by the sum of MA PAS 15-minute units, excluding overtime, invoiced in the third quarter of calendar year 2019 by all home health care and home care agency PAS providers to obtain a specific quotient for each home health care and home care agency PAS provider. Each entity's quotient is then multiplied by \$112,000,000 to determine its Agency PAS COVID-19 Payment. The payments listed in the table below are final and will not be adjusted.

Home health care and home care agency PAS providers do *not* need to submit requests for the funding. All MA-enrolled providers that provided the above listed services, have a provider agreement for waiver services, and were in operation as of March 31, 2020 will receive the funding as described above. Payments will appear as gross adjustment transactions/lump sum payments on a PROMISe remittance advice, with payment issuance occurring nine days after the transaction appears on their remittance.

Act 24 of 2020 requires these funds to be expended by November 30, 2020 or returned to the commonwealth. Additionally, these funds must be used for COVID-19 related expenses incurred between March 1, 2020 and November 30, 2020. Providers must keep documentation to prove that these funds were used for their response to the COVID-19 pandemic in case of an audit. Any person or entity accepting a COVID-19 payment agrees to provide documentation to the Department, upon request, for purposes of determining compliance with Act 24 requirements. Instructions on expenditure reporting will be provided in the future.

Providers are advised to review guidance and frequently asked questions about eligible expenses on the U.S. Department of the Treasury website:
