Article II
MISSION

The mission of the MAAC is to provide the DHS with advice about access to and delivery of quality health care services in an efficient, economical, and responsive manner to low income individuals and families.

Article III
PURPOSE

The purpose of the MAAC is to advise the DHS on issues of Medical Assistance (MA) policy development and program administration.

Article IV
MEMBERSHIP

IV-1. - Appointments
Members shall be appointed by the Secretary of the DHS (Secretary). The Deputy Secretary of the Office of Medical Assistance Programs (OMAP) will solicit nominations for membership from current MAAC members and other sources and will make recommendations to the Secretary. The Secretary may terminate a member’s appointment after three unexcused absences or upon the MAAC’s recommendation.
A member must notify the Committee Chair or the Ex-Officio Co-Chair, or designee, of an anticipated absence in order for the absence to be considered excused.
