General FBI Criminal History Background Check:

1. Are individuals allowed to go to an IdentoGO fingerprinting site while the state is under the Governor’s Stay at Home Order?
   Yes. If an FBI Criminal History Background Check is required for employment, individuals may travel to an IdentoGO location to have their fingerprints taken. The Order of the Secretary of the Pennsylvania Department of Health requires everyone to wear a cloth face covering / mask while visiting essential businesses, this includes all IdentoGO locations. More information about masks is available here.

   Due to the impact of the COVID-19 pandemic, there is a temporary reduction in the number of centers available for fingerprinting appointments. You must pre-enroll with IdentoGO to have your fingerprints taken by going to their website prior to going to a location. Individuals may call IDEMIA Customer Service using the toll-free number, (844) 321-2101 to confirm a location’s operating status prior to scheduling their appointment. In an effort to comply with all established safety precautions, walk-in services may be limited or unavailable at many fingerprint locations. An appointment is encouraged and pre-enrollment is always required. More information on fingerprinting can be found on the Keep Kids Safe website.

2. Where can I go for fingerprinting services to obtain my FBI Criminal History Background Check?
   The Commonwealth contracts with IdentoGO by IDEMIA (also referred to as “MorphoTrust”) for digital fingerprinting services. Please note that the IdentoGO website currently shows all locations as operating. However, as of April 29, 2020 more than half of the locations across the state are closed due to the COVID-19 pandemic. Individuals may call IDEMIA Customer Service using the toll-free number, (844) 321-2101 to confirm a location’s operating status prior to scheduling their appointment. A map of open IdentoGO locations can be found on the Department of Human Services’ (DHS) website here.

   Please note: This map is not updated daily. The Commonwealth cannot guarantee that a location is open as a site’s operating status can change at any time and locations are not required to notify DHS of their operating status. Always call IDEMIA first to check a location’s status prior to scheduling an appointment online and traveling.

   The Department of Human Services is hopeful that as counties begin to move into the yellow phase of the Governor’s plan to reopen Pennsylvania that more IdentoGO locations will make the decision to reopen as well.

3. Am I required to wear a mask while onsite at an IdentoGO location?
   Yes. The Order of the Secretary of the Pennsylvania Department of Health requires everyone to wear a cloth face covering / mask while onsite at an IdentoGO location. More information about masks is available here. Only the scheduled applicant will be allowed to enter. This directive will remain in place until the Commonwealth of Pennsylvania advises otherwise.
Mobile Fingerprinting:

1. Are there options for mobile fingerprinting services?
   Yes, the contract with IDEMIA allows for mobile fingerprinting services for large groups (defined as 20 or more people) as scheduled by the requesting agency for a designated location. IDEMIA shall acknowledge all mobile service requests within 48 hours and provide mobile services within two (2) weeks of the request. This two (2) week timeline begins once the requesting agency and IDEMIA agree to all arrangements.

2. What is the cost for a mobile fingerprinting event?
   There is a 200-dollar per event Acknowledgement Fee, even if the event is scheduled for multiple days at same location. The requesting agency’s established Point of Contact (POC) for each mobile event will be required to submit the fee payment to IDEMIA 10 days prior to the date of the requested Mobile event.

   **Acknowledgement Fee:**
   - The Acknowledgement Fee is paid in advance by the requesting agency, as noted above. The Acknowledgement Fee Form must be completed and returned to secure a date for your event.
   - This fee may be non-refundable in the event customer cancellation occurs less than 10 business days prior to the scheduled event.
   - The Acknowledgement Fee billing will be arranged through IDEMIA’s Finance department.

   **Fingerprinting Fees:**
   - The Fingerprint Fees are paid individually with each applicant processed.
   - Options for payment include all standard payment options, including but not limited to onsite Credit Card, Money Order, or No Charge Authorization Coupon (NCAC). Cash and personal checks will not be accepted.
   - Each applicant must have an individual method of payment. IDEMIA cannot accept a singular payment for multiple applicants.

   No other fees are authorized as per contractual requirements.

3. How are mobile fingerprinting services requested?
   To request a mobile fingerprint event, a request must be sent to the Contractor, IDEMIA, at: statemobileservices@us.idemia.com.

   Mobile event service requests must include as much information as possible regarding your specific needs. Information should include, at a minimum, the Point of Contact name (and contact information), facility and address that will be hosting the event, the approximate volumes for the mobile service, and the timeline or requested date(s) for the on-site session.
New Hires:

1. **Has the requirement for new hires to obtain an FBI Criminal History Background Check prior to commencing employment changed?**
   Yes. As a result of the COVID-19 pandemic, Governor Wolf signed [Act 18 of 2020](https://www.pawolf.com/legislation/pa-act-18-2020) on May 8, 2020. This Act allows individuals who must get their FBI Criminal History Background Checks prior to beginning employment as found in [Section 6344](https://www.pawolf.com/legislation/pa-act-18-2020) of the Child Protective Services Law (“CPSL”) additional time to meet this requirement. The reason the Applicant was unable to obtain the FBI Criminal History Background Check must be a COVID-19 pandemic-related reason. Individuals will have until December 31, 2020 to obtain a copy of their fingerprint-based background check at an approved IdentoGO location.

   A citation will be issued when annual inspections resume for any provider who does not ensure all required clearances are obtained and documented in an employee’s file by December 31, 2020.

   Please note: The fingerprinting requirement for new school employees as governed by the Pennsylvania Public School Code has **not** changed. The Pennsylvania Department of Education published fingerprinting FAQs specific to school employees [here](https://www.pdes.pa.gov/FAQs.aspx).

2. **Who is eligible for flexibility around the requirement for new hires to obtain an FBI Criminal History Background Check?**
   [Act 18 of 2020](https://www.pawolf.com/legislation/pa-act-18-2020) allows Applicants required by [Section 6344](https://www.pawolf.com/legislation/pa-act-18-2020) of the CPSL to have an FBI Criminal History Background Check prior to employment to delay this requirement for a COVID-19 pandemic-related reason. Applicants MUST obtain their FBI Criminal History Background Check as soon as possible but no later 60 days after the expiration of the declaration of disaster emergency issued by Governor Wolf on March 6, 2020 or December 31, 2020, whichever is sooner. This includes but is not limited to:
   - An employee of child-care services;
   - A foster parent; and
   - A prospective adoptive parent.

   The following are also required to meet fingerprinting requirements but are **not** included in the changes made by Act 18 of 2020 to the new hire requirement in the CPSL:
   - Volunteers as found in [6344.2](https://www.pawolf.com/legislation/pa-act-18-2020) of the CPSL;
   - Medicaid Providers required by CMS;
   - Municipal Police Officers Education and Training Commission (MPOETC);

   - The Pennsylvania Department of Agriculture; and
   - The Pennsylvania Gaming Control Board.

   A map of open IdentoGO locations can be found on the Department of Human Services’ website [here](https://www.dhs.pa.gov/).
Please note: This map is not updated daily. The Commonwealth cannot guarantee that a location is actually open as a site’s operating status can change at any time and locations are not required to notify DHS of their operating status. Individuals should call the toll-free IDEMIA hotline at (844) 321-2101 to confirm a location’s operating status prior to scheduling their appointment.

3. **Has the requirement for new school employees governed by the Public School Code changed?**
   No. The fingerprinting requirement for new school employees has not changed. The Pennsylvania Department of Education published fingerprinting FAQs specific to school employees [here](#).

4. **When is it permissible for an employer, administrator, supervisor or other person responsible for employment decisions to hire someone without the FBI Criminal History Background Check?**
   An employer, administrator, supervisor, or other person responsible for employment decisions may hire an individual prior to the applicant acquiring their FBI Criminal History Background Check if ALL of the following statements are true:

   - The Applicant has submitted the results of the Pennsylvania State Police Criminal Record Check and the Pennsylvania Child Abuse History Clearance to the employer prior to the applicant’s first day of work;
   - The Applicant has sworn and affirmed in writing that they are not disqualified from employment based on a conviction of any offense found in Section 6344(c) of the CPSL (see Appendix A of this FAQ); and
   - If the Applicant has not been a resident of the Commonwealth during the entirety of the previous 10-year period, the individual has submitted a certification that is equivalent to the Pennsylvania State Police Criminal Record Check from the last state in which the individual was a resident.

   **AND**

   **ONE OR MORE** of the following statements is true:

   - There are no open IdentoGO locations within 25 miles of the Applicant’s location; and/or
   - The open IdentoGO locations within 25 miles of the Applicant’s location do not have any fingerprinting appointments available before an employee is scheduled to begin employment. For example, if an employee is scheduled to begin employment on May 4, 2020 but the first available fingerprinting appointment within 25 miles of the employer’s location is not until May 10, 2020 then the Applicant can begin work without having their fingerprint check completed. However, the applicant should schedule the appointment for May 10th and provide the employer with the results of check as soon as they are received.

   Employers, administrators, supervisors, or other persons responsible for employment decisions should regularly check the availability of IdentoGO locations within 25 miles by checking the Department of Human Services’ website [here](#). As soon as an IdentoGO location opens and/or a
fingerprint appointment can be scheduled, the employee should get the necessary FBI Criminal History Background Check.

5. **What documentation is required if an employer hires someone who has not yet submitted their FBI Criminal History Background Check or has not yet received the results of the FBI Criminal History Background Check?**

   - The date the employee was able to obtain the FBI Criminal History Background Check and a copy of the check;
   - An equivalent to the Pennsylvania State Police Criminal Record Check from another state the employee has resided in over the past 10 years (if applicable).

7. **If an employer hires someone without the required FBI Criminal History Background Check are the results due within a certain period of time?**

   Yes. *Act 18 of 2020* requires employers to make sure any applicants hired during the COVID-19 pandemic that are unable to obtain the FBI Criminal History Background Check acquire the results of the check as soon as possible but no later than 60 days after the expiration of the declaration of disaster emergency issued by Governor Wolf on March 6, 2020 or December 31, 2020, whichever is sooner.

   A citation will be issued during annual inspections for any provider who does not ensure all required clearances are obtained and in an employee’s file within the specified time period.

2. **If a legal entity submits an initial application packet to open a new child care facility will they need to submit a completed FBI Criminal History Background Check as part of the initial application packet?**
   A completed FBI Criminal History Background Check will not be necessary as long as the Legal Entity abides by the following:

   Please note: This map is not updated daily.
