- Encounters are services rendered on any one day to a Medicaid eligible individual.
- Whether calculating for group or individual, an encounter is one Medicaid service per provider per recipient per day.
- Reports MUST come from a verifiable source such as a practice management system, billing system, etc.
- Sort reports by Date of Service if submitting a .pdf file. NOTE: Excel spreadsheets are preferred.
- MA Recipient ID OR Patient name AND either the patient's DOB OR SS#, Date of Service, Provider Name, Place of Service, Primary Insurance Carrier Name, and MA Encounter columns are required fields to be completed.
- Service Rendered column is optional information.
