New Electronic Benefit Transfer Card

Starting in April 2019, some Medical Assistance (MA) beneficiaries may have an updated electronic benefit transfer (EBT) card. The new card (pictured below) no longer has the “ACCESS” logo on the card.

Not all MA beneficiaries will be receiving the newly designated EBT cards. The new cards will only be sent if a beneficiary needs a new or replacement card. Both cards are valid and should be accepted by the MA provider.

Providers who receive the card below or the card with the “ACCESS” logo should continue to check the beneficiaries MA eligibility through the Eligibility Verification System (EVS).

Thank you for your service to our MA recipients.
We value your participation.
