#105

APR-DRG IMPLEMENTATION TO BEGIN ON 3-4-11

The implementation of APR-DRG pricing logic in PROMISe™ will begin on Friday, March 4, 2011.

As noted recently in Provider QUICK TIP # 103, the initial implementation date of Friday, February 25, 2011 was postponed due to a delay in CMS approvals. Because CMS approval was recently received, the Department can now move forward with APR DRG implementation on March 4, 2011.
