Medical Assistance (MA) Fee Schedule Updates for Certain Family Planning Services

Effective with dates of service on and after December 1, 2016, the Department of Human Services (the department) will pay inpatient hospitals for LARC intrauterine devices and contraceptive implants in addition to maternity APR-DRG. Hospitals are to submit their claims for LARC 837I for Outpatient, Internet Outpatient Claim, or paper UB04 using the applicable LARC procedure code-modifier combinations identified in the attachment to MA Bulletin 01-16-33 et al; titled MA Program Fee Schedule Updates for Certain Family Planning Services effective December 1, 2016, at the link below:

The department is also updating the MA program fees for certain family planning and family planning related services, effective for dates of service on and after December 1, 2016. The MA online fee schedule has been updated with a specific link for these updates.

Providers who have submitted claims for the updated fees and were paid incorrectly for dates of service December 1, 2016 through December 15, 2016 may submit claim adjustments for those claims.
