New Option on ePEAP!

Providers Can Now View All Active Service Locations on the ePEAP (electronic Provider Enrollment Automation Project) Menu!

The new option allows providers to view all active service locations associated with a provider Id. The Other Active Service Locations window is used by providers to display all other active service locations for the provider. This window is accessed by clicking the **Other Active Service Locations** link in the ePEAP Menu.

The screenshot shows the ePEAP interface for a provider. At the top, it displays the Pennsylvania Department of Public Welfare logo and the ePEAP logo. Below this, a summary box shows the following information:

Your Provider ID	300180963	DOGOOD JAMES L.	Status	Active
NPI	1234567898	(View Taxonomy)	ePEAP Access	Full Access
Service Location	0002	123 HOPE RD, HARRISBURG, PA 17011-		
Provider Type	31	PHYSICIAN		(View Specialties)

Below the summary box, there is a section titled "Other Active Service Locations for MAID # 300180963". This section contains a table with the following columns: Service Location, NPI, Physical Site Address, and Options.

Service Location	NPI	Physical Site Address	Options
