

# EMERGENCY RENTAL ASSISTANCE PROGRAM (ERAP)

# Monthly Report NOVEMBER 2021

# **November 2021 Summary Report**

### **Month Overview**

In November 2021, DHS saw an increase in state spending and obligation to \$32,711,901.40 for ERAP1 from the month of October 2021. In addition to this increase, DHS also saw increased participation to 19 counties utilizing ERAP2 funding as money from ERAP1 is used and additional applications are able to be evaluated under the additional criteria of occurring during COVID-19 as opposed to only due to COVID-19.

As counties start to dip into their ERAP2 funding, DHS saw an increase to \$10,623,681.56 in state funds paid or obligated from ERAP2 in the month of October. As a reminder, the main difference between ERAP1 and ERAP2 from a recipient standpoint is that an individual can qualify for ERAP1 only if they are directly affected by COVID-19. ERAP2 allows for individuals to qualify if they have been affected **due to or during** the COVID-19 pandemic. Additionally, this month Pennsylvania submitted a Program Improvement Plan to the federal government. This plan outlined the steps taken by PA DHS to ensure success of the ERAP program. Submitting this plan prevented PA DHS dollars from being recouped by the federal government as DHS works with counties to ensure this valuable funding gets to those who need it.

	\$32,711,901.40	\$10,623,681.56	\$43,335,582.96

### **Total to Date**

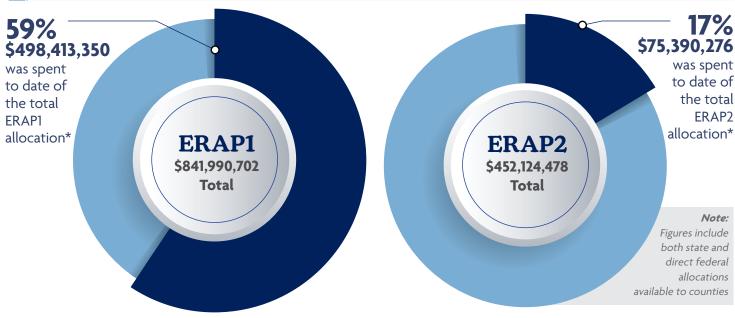

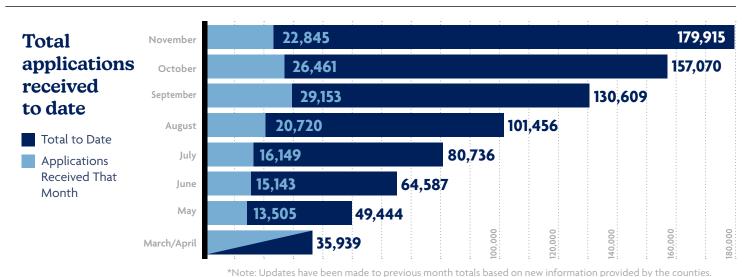

DHS-allocated monies paid or obligated for emergency rental assistance, housing stability services, and administrative costs since the program start are approximately 337 million dollars and 64,611 households received rental assistance and/or housing stability services who have been impacted due to or during the COVID-19 pandemic (ERAP1 and ERAP2 combined.) 19 counties reported usage of ERAP2 funds in November compared to just 13 counties in October.

**NOTES:** 1) September, October and November saw the highest number of applications received — 29,153, 26,461 and 22,845 respectively. Counties have processed between 10,000 to 12,000 applications a month consistently since June 2021. Applications are now being received at double previous capacity. Larger counties, which receive the highest number of applications, are working to fiscally balance the program as funds are being depleted.

### **Technical Assistance Overview**

Providing technical assistance directly to counties implementing the ERAP program has been a high priority for DHS. In November, assistance was given during regularly scheduled calls with counties. Additional assistance is given in one-on-one communications with individual counties almost daily to address unique needs on an as needed basis.

### This month's agenda items included:

- Status of ERAP2 allocations and ERAP1 reallocations
- Revision of the Instructions and Responsibilities (I&R) manual
- Participant Payment Data File Details
- Procedural Memos
  - #005-21 Use of Emergency Rental Assistance Program 2 (ERAP2) Funds
  - #006-21 Emergency Rental Assistance Program 2 (ERAP 2) Administrative and Housing Stability Cost Allowances
  - Upcoming: Fraud Prevention Procedural Memo
- Reporting Guidance
- Open Discussion

### Upcoming: Survey to counties for discussion topics to bring to the group.

In addition to the technical assistance calls and memos to counties, DHS launched a shortened ERAP recertification form in both English and Spanish. This form was created to reduce burden on both the applicants and counties in providing and receiving unnecessary information for subsequent requests for funding and is available on the DHS ERAP website. Additional languages are expected to be available in December.

### Stakeholder Outreach

With the technical assistance calls in November 2021, the DHS team reintroduced the <u>ERAP Media Kit</u> to all counties with the reminder that these materials are here to assist in promoting the ERAP Program. DHS encouraged distribution of these materials to all local stakeholders that can assist in increasing awareness surrounding ERAP.

### **External Communications**

This month, ERAP was promoted through press releases and press events both local and statewide. Locally, Acting Secretary Meg Snead highlighted ERAP in Chambersburg, Franklin County and Deputy Secretary Inez Titus joined leaders in Stroudsburg, Monroe County to urge Pennsylvanians at risk of eviction or utility shut-offs due to or during the COVID-19 pandemic to apply for assistance available through ERAP. Statewide, DHS reminded Pennsylvanians of the availability of ERAP and other public assistance programs headed into the holiday season.

### **Background**

The Department of Human Services (DHS) is pleased to submit this report, as required by Act 2021-1, Article I-D of the Fiscal Code, 72 P.S. §103-D (a)(7.1) and (8):

Powers and duties.--The department shall have the power and duty to: prepare a monthly consolidated report with information from all counties submitted under section 104-D(4) and shall submit the report on a monthly basis to the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives. The report shall also be posted and maintained on the department's publicly accessible Internet website.

The report shall include the following information:

- (i) The total amount of funds received by a county.
- (ii) The total amount of funds spent by a county for services under section 102-D(a).
- (iii) The total amount of excess funding or shortfall identified by a county as of September 20, 2022.
- (iv) The total number of households that applied for assistance.
- (v) The total number of households that received assistance.
- (vi) The total amount of funding sought by services under section 102-D(a).
- (vii) The total amount of assistance provided by services under section 102-D(a).
- (viii) An itemization of all expenditures for administrative costs.

Act 1 of 2021 authorized DHS to implement the Emergency Rental Assistance Program (ERAP1). The federal Consolidated Appropriations Act of 2021, (Pub. L. 116-260) allocated \$569,807,659.70 directly to Pennsylvania to assist those affected by COVID-19 by providing funding for certain past, current and future rental and utility expenses. Of that allocation, the Pennsylvania General Assembly appropriated \$5,698,076.60 to be used by DHS for administrative costs. Funding was allocated to all counties based on percentage of population minus any direct federal allocation per Section 102-D(c) of the Act. (See Table 2 for allocations and expended/remaining funds as of September 30, 2021). A maximum of 9.09 percent of each county's allocated ERAP1 funds may be used for the combined costs of administration and housing stability services. Eighteen counties and one city received a separate allocation directly from the United States Treasury in addition to the funding allocated to them in accordance with Act 1 of 2021.

DHS officially launched ERAP1 on March 15, 2021, though not all counties were operational on that date. All counties, however, were operational and accepting applications as of March 29, 2021. (See Table 1 for application data).

PA Act 24 of 2021 amended some ERAP1 program rules, and further gives DHS authority to administer funds allocated under the federal American Rescue Plan Act of 2021 (Pub.L.117.2) Section 3201 (b) which allocated \$500,166,870.00 to Pennsylvania. These funds are referred to as ERAP2.

The total allocation amounts used in Table 4 total ERAP2 Funds column reflect the funds issued to counties on September 9, 2021 and are inclusive of the high-needs funds. Table 3 reflects the total number of applications under ERAP2.

### **Definitions**

DHS uses the following definitions in this report:

- Rental Assistance includes assistance for rent arrears, current rent, future rent, and utilities included as a part of the rent payment per the rental agreement
- Utility Assistance includes payment for utilities, utility arrearages and future utility payments not included as a part of the rent
- Other Expenses Related to Housing includes, but is not limited to, assistance with relocation expenses, rental fees, reasonable late fees, internet for work or home schooling (at county option).
- Housing Stability Services services provided to coordinate the activities necessary for the client to obtain or retain housing including, but not limited to, case management and other services intended to keep households stably housed

NOTE: This report reflects emergency rental assistance as implemented with funds allocated per Act 1 of 2021 and Act 24 of 2021 and does not include expenditures of funds received by local municipalities directly from the United States Treasury.

All figures below reflect self-reported data by the county as of November 30, 2021 and may reflect the county made corrections for previous months.
