Postpartum Screening Based on Use of Validated Depression Tool	83.02%	70.52%	59.38%	71.14%	69.36%	79.20%	78.40%	73.15%	60.95%	51.97%

* Rates in red font are less than the weighted average for the measure and may appear equal to weighted averages due to rounding, unless they are inverted measures.

¹Effective 01/01/2022, this information is issued on behalf of Highmark Wholecare, coverage by Gateway Health Plan, which is an independent licensee of the Blue Cross Blue Shield Association. Highmark Wholecare serves a Medicaid plan to Blue Shield members in 13 counties in central Pennsylvania, as well as, to Blue Cross Blue Shield members in 27 counties in western Pennsylvania.

²Effective 09/01/2022, Aetna Better Health was discontinued. MY 2020 and MY 2021 HC Averages include the Aetna Better Health rates as they were active at the time. Trending should be done with caution.

³First year measure for MY 2020.

⁴First year measure for MY 2021.

⁵Measures highlighted in yellow are MCO Pay-for-Performance (P4P) measures.

⁶A lower rate indicates better performance for this measure.
