It is the mission of the Pennsylvania Clubhouse Coalition:

-To be a well organized, well-funded clubhouse coalition, comprised of accredited clubhouses or those in the process of accreditation

-To promote and increase equal opportunities and improved quality of life for people recovering from mental illnesses in collaboration with organizations, business and industry, policy-makers, and our communities

-To ensure quality, innovative, and evidence-based clubhouse services throughout Pennsylvania

-To encourage member clubhouses to become integral participants and leaders in their local communities
