Understanding the military experience

Providing care to service members, veterans and their families

Service members, veterans and their families make sacrifices for all of us. **STAR BEHAVIORAL HEALTH PROVIDERS** offers training to help you better understand their experiences and an online registry that will help them find you. **Space is limited — register today online at www.starproviders.org! Trainings & CEs are **FREE**.**

SBHP training is comprised of three tiers that must be taken sequentially:

- **Tier One:** *One day*, covers military culture and the impact of deployments on families.
- **Tier Two:** *Two days*, covers issues associated with military service including military family resilience, traumatic brain injury, sleep disorders, suicide, PTSD, and three hours of ethics.
- **Tier Three:** *Two days*, teaches evidenced-based psychotherapies for treating particular behavioral health conditions facing service members, veterans and families. There is a range of topics offered throughout the year.

By signing up for the waitlist today you will request your spot for registration!
