

Several changes have been made to Appendix C in this application to amend the OBRA Waiver. These changes include:

Appendix C – Participant Services:

- Revise the Residential Habilitation service definition by modifying the number of hours that are defined as a day unit from a minimum of 12 hours to 8 hours.
- To the service definitions of Job Finding, Job Coaching, Employment Skills Development, Career Assessment and Benefits Counseling, add language that Office of Vocational Rehabilitation (OVR) services are considered to not be available if OVR has not made an eligibility determination within 120 days; and add language to address when employment services through the CHC waiver can be provided should OVR close the order of selection, thereby creating a waiting list for OVR services.
- Update language to reflect that the Department utilizes IDEMIA as the data system to process fingerprint-based FBI criminal record checks as well as other minor editorial changes to the section.
