**REVISIONS to PARTICIPATING DRUG COMPANY  
list for  
MEDICAID DRUG REBATE PROGRAM**

For a drug product to be compensable through the Medical Assistance (MA) Program, the company (labeler) that markets the product must participate in the Federal Medicaid Drug Rebate Program.

The below revisions to the list, unless otherwise indicated, are effective July 1, 2020. Terminations and additions apply only to those National Drug Codes (NDCs) beginning with the five-digit labeler code indicated, and not to other NDCs that may be marketed by that company under a different labeler code.
