DEPARTMENT OF HUMAN SERVICES

Purpose/Introduction

This report provides the appropriate committees of the Pennsylvania Senate and House of Representatives and other interested parties with the information required to be reported by Section 814-G of the Human Services Code (formerly the Public Welfare Code) (62 P.S. § 814-G), regarding the Statewide Quality Care Assessment Program (Assessment).

The report analyzes the various components of the Assessment, including the assessment fees paid by each covered hospital, and the amount and types of payments made by the commonwealth to individual hospitals through both the fee-for-service and managed care delivery systems.

Background

In 2010, the General Assembly enacted the Act of July 9, 2010 (P. L. 336, No. 49) (Act 49). Act 49 added a new Article VIII-G to the Human Services Code (62 P. S. §§ 801-G—816-G) to authorize the Department of Public Welfare, now the Department of Human Services (Department), to implement the Assessment for a three-year period beginning July 1, 2010 and ending June 30, 2013. In 2013, the Act of July 9, 2013 (P.L. 369, No. 55) (Act 55) reauthorized the Assessment for a three-year period beginning July 1, 2013 and ending June 30, 2016. In 2015, the Assessment was extended for an additional three-year period beginning July 1, 2015 and ending June 30, 2018 by the Act of December 28, 2015 (P.L. 500, No. 92) (Act 92). Under the Assessment, the Department is required to impose a monetary assessment on all licensed hospitals in the commonwealth, other than certain exempt hospitals.¹ The assessment equals a percentage of the covered hospitals' net inpatient revenue.

Section 814-G of the Human Services Code requires the Department to submit a report on the Assessment by no later than 180 days prior to June 30, 2018. This report is to be submitted to the Chair and Minority Chair of the Health and Human Services Committee of the Senate, the Chair and Minority Chair of the Appropriations Committee of the Senate, the Chair and Minority Chair of the Health and Human Services Committee of the House of Representatives, and the Chair and Minority Chair of the Appropriations Committee of the House of Representatives.

A prior report, issued March 4, 2013, included information related to Fiscal Years (FY) 2010-11 and FY 2011-12, as required by Act 49 of 2010. The information contained within this report includes FYs 2012-13 through FY 2016-17. Information for FY 2017-18 is not available until after the fiscal year is complete and will be reported in a subsequent report.

Assessment Rates

In the Act of June 30, 2011 P.L. 89, No. 22 (Act 22), effective for FY 2012-13, the General Assembly amended the Article VIII-G assessment percentage to 3.22 percent of a covered hospital's Net Inpatient Revenue (NIR). Act 55 of 2013 reauthorized the Assessment and continued the assessment percentage of 3.22 percent for FY 2013-14 and FY 2014-15. In

¹ Under section 801-G of the code (62 P. S. § 801-G), the following hospitals are exempt from the assessment: (1) Federal veterans' affairs hospitals; (2) hospitals that provide care, including inpatient hospital services, to all patients free of charge; (3) private psychiatric hospitals; (4) State-owned psychiatric hospitals; (5) critical access hospitals; (6) long-term acute care hospitals; and (7) cancer hospitals.

addition to continuing the Assessment, Act 92 established the assessment percentage for FY 2015-16, FY 2016-17 and FY 2017-18 at 3.71 percent of a covered hospital's NIR.

Assessment Revenues

Section 805-G of the Human Services Code (62 P.S. § 805-G) established a Quality Care Assessment Account (Account) for the receipt and deposit of revenues collected by the Assessment. The section limits the Department's use of revenues deposited into the Account to Medical Assistance (MA) fee-for-service payments to hospitals, enhanced capitation payments to MA managed care organizations (MCOs) for hospital services, and for any other hospital or hospital related services as approved by the Secretary of Human Services (Secretary). Payments that use funds from the Account are not to exceed the aggregate amount of the Assessment funds collected for the specific state fiscal year less \$109 million in FY 2012-2013, \$150 million for FY 2014-13 and FY 2014-15, and \$220 million for FY 2015-16, FY 2016-17, and FY 2017-18. The Department uses any additional amounts remaining in the Account after making payments for purposes approved by the Secretary.

NOTE - The Department did not report on the number of medical assistance patient days and discharges by hospital for FY 2016-17, as this information was not available at the time the report was prepared. This information will be included in a subsequent report, as required. The supplemental payment information, detailed in Attachments 6 through 10 of this report, totals an excess of \$4.64 billion in hospital payments made by the Department to hospitals over the five years included in this report. In addition to the \$4.64 billion in supplemental payments, the Department increased claim payments to hospitals and capitation rates for MCOs by an additional \$847 million and \$549.6 million, respectively in the same period. These increases relate to the MA modernization initiatives required by 443.1(1.1)(ii) and 433.1(1.4) of the Human Services Code (62 P.S. § 443.1(1.1)(1.4)), which included the Department's adoption of the All Patient Refined-Diagnosis Related Group (DRG), adjusted base DRG payment rates, and changed the outlier payment policy.

Hospital Quality Care Incentive Program

Beginning with FY 2016-17, the Department implemented a hospital-based quality incentive program. Hospitals enrolled in the MA Program that provide care to beneficiaries in the Department's physical health managed care program are incented to reduce certain inpatient admissions determined by the Department to be avoidable. In FY 2016-17, the Department

directed the MCOs make payment to certain qualifying hospitals. The total amount paid to qualifying hospitals was \$25 million in combined federal and Assessment funds.

Reauthorization

The Assessment is set to expire on June 30, 2018. The Department is in discussions with the Hospital and Healthsystem Association of Pennsylvania for the purpose of timely reauthorization of the Assessment. Both parties recognize the benefit of the Assessment for the MA population, the hospital community, and for the commonwealth.

Conclusion

The commonwealth has collected Assessment revenue totaling \$3.44 billion for the five years contained in this report, July 1, 2012 to June 30, 2017. For that same five-year period, these revenues funded \$6 billion in increased MA payments and savings to the commonwealth, in the amount of \$849 million. The revenue generated from this Assessment has enabled the Department to continue to fulfill one of its core missions: to ensure access to quality hospital services for our MA beneficiaries. The Department continues to support the Assessment and is committed to working with the hospital community to pursue a renewal of this important initiative for the benefit of the MA population, Pennsylvania hospitals, and the commonwealth as a whole.
