

## Coronavirus Aid, Relief, and Economic Security Act (CARES Act) Funding for Office of Long-Term Living (OLTL) Licensed Personal Care Home (PCH) and Licensed Assisted Living Residences (ALR) Providers

Governor Wolf recently signed Act 24 of 2020, which allocates funding from the federal Coronavirus Aid, Relief, and Economic Security Act – also known as the CARES Act. Funding from Act 24 must be used to cover necessary COVID-19 related costs incurred between March 1, 2020 and November 30, 2020. Act 24 includes \$457,000,000 of COVID-19 relief funds for providers of Long-Term Living Programs. To qualify for the one-time payment, a person or entity must be in operation as of March 31, 2020. This funding includes the following payment to providers of PCH and ALR services:

**PCH/ALR COVID-19 Payment** - The total funding available for this one-time COVID-19 payment to PCHs and ALRs pursuant to Act 24 is \$45,000,000. The PCH/ALR COVID-19 payment to each PCH or ALR is calculated by the dividing the licensed occupancy of the PCH or ALR, as determined by the Department of Human Services' (Department) most recent inspection on or before April 1, 2020 by the total licensed occupancy of all ALRs, including those with a special care designation, and PCHs, as determined by the Department's most recent inspection on or before April 1, 2020 to obtain a facility specific quotient for each PCH and ALR. Each facility's quotient is multiplied by \$45,000,000 to determine its payment amount. The payments listed in the table below are final and will not be adjusted.

PCHs and ALRs must supply their federal employer identification number (FEIN) for payment to be made. PCHs and ALRs must complete the facility acceptance form and email it to the OLTL at covidpayments@pa.gov by July 31, 2020. Providers may also fax the form to the OLTL Bureau of Finance at 717-787-2145. Checks will be issued and mailed after the form is received.

Act 24 of 2020 requires these funds to be expended by November 30, 2020 or returned to the commonwealth. Additionally, these funds must be used for COVID-19 related expenses incurred between March 1, 2020 and November 30, 2020. Providers must keep documentation to prove that these funds were used for their response to the COVID-19 pandemic in case of an audit. Any person or entity accepting a COVID-19 payment agrees to provide documentation to the Department of Human Services, upon request, for purposes of determining compliance with Act 24 requirements. Instructions on expenditure reporting will be provided in the future.

Providers are advised to review guidance and frequently asked questions about eligible expenses on the U.S. Department of the Treasury website:
