

## Disproportionate Share Incentive Payments for 12-month MA-11 Cost Reports Ending December 31, 2018 with Acceptance Letters Mailed on or before July 23, 2019

Sections 1187.111 and 1189.105 describe an incentive payment to nursing facilities based on the overall occupancy percent and MA occupancy percent of the facility during the facility's cost reporting period.

A disproportionate share incentive payment will be made based on MA paid days of care times the per diem incentive to facilities meeting the following criteria for a 12-month facility cost reporting period:

- The nursing facility shall have an annual overall occupancy rate of at least 90% of the total available bed days.
- The nursing facility shall have an MA occupancy rate of at least 80%. The MA occupancy rate is calculated by dividing the MA days of care paid by the Department by the total actual days of care.

Note: On January 22, 2018, the Centers for Medicare & Medicaid Services approved State Plan Amendment 17-0021 effective January 1, 2018 limiting disproportionate share incentive payments to nursing facilities that are not located in a geographic zone where Community Health Choices operates. Public notice *Payment for Nursing Facility Services Provided by Nonpublic and County Nursing Facilities; Notice of Change for Supplemental Payments* was published in the [Pennsylvania Bulletin](#) on September 30, 2017 at 47 Pa.B. 6140. The Department of Human Services intends to align §§ 1187.111 and 1189.105 with the Commonwealth's approved Medicaid State Plan.

The disproportionate share incentive payments will be based on the following for Fiscal Year 2018-2019:

	<i>Overall Occupancy</i>	<i>MA Occupancy (y)</i>	<i>Per Diem Incentive</i>
Group A	90%	$y \geq 90\%$	\$4.65
Group B	90%	$88\% \leq y < 90\%$	\$3.13
Group C	90%	$86\% \leq y < 88\%$	\$1.86
Group D	90%	$84\% \leq y < 86\%$	\$1.13
Group E	90%	$82\% \leq y < 84\%$	\$0.57
Group F	90%	$80\% \leq y < 82\%$	\$0.42

## Disproportionate Share Payments for full year cost report periods ending December 31, 2018:
