

Updated Nursing Facility Processing of FY 2017/2018 Rate Adjustments

March 9, 2018

For the purpose of making the FY 2017/2018 rate adjustments, Nursing Facility (NF) providers will be divided into three groups. An exceptional payment plan will be put into place for Group 2. Please note that the FY 2017/2018 retroactive rate adjustment process will impact dates of service 7/1/2017 through 09/30/2017.

Group 1

- A. All NFs that have a net positive payment for the FY
- B. NFs that owe less than 25% of their average monthly payment

Group 2

NFs that owe 25% or more of their average monthly MA payment will have the amount owed to the Commonwealth recovered over a 4-month; it will be equally divided over the four months. Please note that the fourth month reflects the final amount owed and may vary due to differences between the estimated and actual billed days of care.

Group 3

NFs that are located in the Southwestern region of Pennsylvania, which have transitioned to Community HealthChoices (CHC) and are not in Group 1A above. OLTL will send an additional written notification to each NF in this group with instructions for payment of the final balance owed.
