¹ For services without the Benefit Allowance, the Procedure Code would contain the modifier "U4".

² Codes that have an enhanced staffing level can be utilized when the individual has behavioral or medical support needs that require a staff member who is certified, has a bachelor's degree, or is a nurse. While these ranges apply to any staff who meet this criteria, the TD modifier should only be used when the staff member is a RN and the TE modifier should only be used when the staff member is an LPN.

³ These wage ranges apply to SSPs that are a nurse, are certified, or have a bachelor's degree in accordance with the qualification criteria in the waiver. Enhanced services by a nurse are only available to participants age 21 and older.

⁴ These wage ranges apply to SSPs that have a high school diploma and are not a nurse, are not certified or do not have a bachelor's degree in accordance with the qualification criteria in the waiver.
